The Egetmann at primary school

In the frame of the history programme we discuss the custom of the Egetmann pageant and the carnival tradition with the pupils. In the subject arts, pupils illustrate experienced figures and floats of the pageant in their own individual way. Currently we discuss the UNESCO nomination of the Egetmann. Pupils bring in their experiences and perceptions in various ways. Some of them have drawn pictures, while others have formed figures and floats, or created their own costume for a figure of the pageant, or made posters.

With kind regards,
Helene Kastl, headmaster

A handwritten signature in black ink, which appears to read 'Helene Kastl'. The signature is written in a cursive style.
